DRAI Informational Email (For Tier 1 & 2 Community Partners)

Dear [Name/Friend/etc.]

We hope that you and your loved ones are safe and well.

COVID-19 has impacted many in our community in various ways, including reducing incomes or ability to run our businesses. Many are finding it difficult to make ends meet and pay the bills. Last month, Governor Gavin Newsom announced the Disaster Relief Assistance for Immigrants (DRAI) program which will aim to assist undocumented adults who are now facing economic hardship because of COVID-19. Eligible individuals will receive a one-time payment of $500 (with a max of $1000, two per household).

We are happy to announce that we are supporting Asian Americans Advancing Justice - Los Angeles in their efforts to assist individuals residing in Los Angeles County and Orange County. For more information about the Disaster Relief Assistance for Immigrants (DRAI), or to apply, please call Asian Americans Advancing Justice - Los Angeles at (213) 241-8880 or visit advancingjustice-la.org/drai.

Interested individuals who would like to apply for the DRAI program cannot qualify for any other forms of relief like the CARES Act and unemployment and must be over 18 years of age. The application process opens on Monday, May 18. Advancing Justice-LA will be offering application assistance in Arabic, Bengali, Chinese (Mandarin and Cantonese), Farsi, Hindi, Khmer, Korean, Tagalog, Thai, Urdu, Vietnamese, and more that are still being determined.

[Put the below information in a ‘Call Out Box’ if available, otherwise BOLDED text is fine]

If you or anyone you know in the API community has been impacted by COVID-19 and may benefit from DRAI, please contact Asian Americans Advancing Justice - Los Angeles at (213) 241-8880 [we highly encourage you to replace this number with the in-language phone line that is best suited for your community members, listed on Page 2] or visit advancingjustice-la.org/drai.

Sincerely,
